CARLA

LOU
HE DOESN'T HAVE AN EXPLANATION . JUST ANSWER ONE QUESTION . IN WHAT
WAY AM I PHYSICALLY REPULSIVE TO YOU ?

BLAKE
In no way.

LOU
You just said I was.

BLAKE
When?

LOU
When? Thirty seconds ago! You said
every single person except for Carla...
was physically disgusting to you!

BLAKE
- no . It was a figure of speech. Hyperbole.

lou
- Stop lying, you asshole.

blake
I'm not lying.

lou
- Everything you've said to both of us...
- for the past 10 months has been a total,
utter fucking lie! -

blake
Can I say one thing?
This is not self-serving jargon or an
attempt to give myself an out for the moment.
I may have been hiding parts of my life
from both of you to avoid causing pain.

lou
- Fuck you! - You're just lucky...
you don't have a kitchen knife sticking
through your Adam's apple right now!

blake
- Carla. Carla, she's-

carla
- I prefer you not use my name.

blake
- You want me to call you Timmy?

carla
- I don't wanna hear your voice at all right now.

blake
Oh, absolutely. look, you both don't understand.

lou

No, no, no. Actually, we didn't understand. Now we do understand.
We understand everything.

carla

Everything except why. It would
be better if you stopped lying.
You were caught.

lou

- He can't.

Carla

Let him try.

-
-
-
-

lou

- Go ahead.

blake

Um, this is really, um...
- This is horrendous. This is... I'm... I'm
devastated by this. -

lou

No, you're not.
You're just exposed.

-

carla

- What do you have to be devastated about?
You didn't find out that someone
you trusted had betrayed you.

blake

I know, but... I'm just saying...

lou

No, you know what?

Nothing you say means
fucking shit anyways.
Because you're a lying, cheating,
manipulating motherfucker!

blake
You know what I think?
That's really abusive.
I don't think you understand how it causes
me pain to hurt people that I care about.

carla
Care about?
What happened to love?

lou
I thought you loved me.
I really did.
And Carla thought
you loved her.

blake
I did. L... And I do.
I really...
I do.

lou
Me or her?

blake
Both of you.

lou
Both.

"Both" is very convenient.
"Both" is really convenient.
What about only?
You said only.

blake
You want the truth?

carla
No. We want another lie.

blake
No, seriously. The truth.
The truth, um... The truth is...

lou
Look at him. I mean, the very words
"the truth is" make him draw a blank.

blake
The truth is that I meant everything
that I said to each of you...
...at the time I was saying it.

carla
Bullshit.

blake
No, it was new to me.

lou
Oh, it was new to you.

blake
The first time I'd ever felt love
was simultaneously with both of you...
and I was... I was baffled.
It was very unnerving to me.

lou
Poor you.
Poor fucking you.

blake
Look, I... I...
I fucked up here.
Horrendously, okay?

lou
- You were greedy, and you were selfish.

blake
- I was, well, wrong.
-

carla
- A coward.
-

lou
- A greedy, selfish coward.

Blake
You know what? Um, I'm gonna...And don't - Please stop, like, pursuing me
Cause I can't... I think that I understand where you're coming from. I was
there, and I have been straight with both of you the whole...If this was the
forum, that would've been appropriate for you to, you know...but If you
have to confront me... And both of you at the same time. And the word...
What you just, That wasn't nice. That wasn't right. I think it's abusive. I don't
think- Yeah. I know... I know what I...It's just... I gotta... I gotta...I gotta do it,
for me.
