

JENNA
Hi.

JIM
Hi. Come on in. Sit down. Oh my god.

JENNA
Well, am I ok? Is something wrong with me?

JIM
No. No. There is nothing wrong with you. Light spotting is a perfectly normal symptom in early pregnancy. Were you concerned about a miscarriage?

JENNA
Not really. Is that everything you have to say?

JIM
Um, yes. No.

JENNA
Well what?

JIM
I'm... Nothing. Um, you can go now. I'll see you at your next regularly scheduled appointment. And again don't hesitate to call if you have any questions or concerns-

JENNA
-to call you if I have any question or concerns.

JIM
Exactly.

JENNA
Why did you have me come all the way in here if spotting is a perfectly normal symptom in early pregnancy. I mean I had to get up early, take a bus, walk 5 blocks just to hear that spotting is a perfectly normal symptom.

JIM
I have no response to that.

JENNA
And what time does this office normally open doctor? 8:30?

JIM
9 o'clock.

JENNA
9 o'clock. So you came in here 2 hours early just to tell me spotting is a perfectly normal symptom.

JIM
Well, it would seem that way, yes.

JENNA
Goodbye Dr. Pomatter.

JIM
Goodbye Jenna.

JENNA
I think you're strange. I'm not sure I want you to be my doctor anymore. You make me uncomfortable.

JIM
I'm sorry, Jenna. I'm really sorry. Whatever it is I do, I will not do it anymore. You should not be uncomfortable at this time.

JENNA
You're doing it again.

JIM
How? What did I do?

JENNA
I don't know, you know that nice guy talky thing you do, you just... oh forget it.
Damn, my purse.

JIM
You forgot your purse-
Hey, don't walk away from me.

JENNA
Well, what do you want?

JIM
I wanna see you again. I wanna talk to you somewhere outside of here. Maybe we could have a coffee or something.

JENNA
I can't have coffee, it's on the bad food list you gave me. What kind of doctor are you?

JIM
You don't have to have coffee, you could have water or fruit juice.

JENNA
It's a bad idea. I'm married. You're married. I'm pregnant. You're my doctor.

JIM
You're right, it's crazy. It's unethical on my part.

JENNA
Wait. No kissing in the street. I have a very jealous husband. He'd kill you if he ever saw us. He don't like when other men even look at me.

JIM
Is he large?

JENNA
He's large enough, and he drives right past here on the way to work.

JIM
Maybe we shouldn't be standing in the street then.

JENNA
But, I gotta go get pie's. It'll take me time to walk 5 blocks, wait for the bus. I don't wanna be late. Cal gets mad when I'm late.

JIM
Well, let me drive you.

JENNA
No. Yes. Please.
