

WILSON

I can't believe it's you.

PIPPY

It's me.

WILSON

It's two and a half years. I never heard a word. I tried to get my lawyer to find you. I even tried to go through Polly.

PIPPY

Oh, she was on the warpath.

WILSON

I have thought of you every day. A thousand times.

PIPPY

I'm sorry, Wilson. I was just... it got really bad.

WILSON

I knew there was a reason. I'm sorry, I'm... I'm so happy. Are you okay?

PIPPY

Yeah.

WILSON

When Claire turned on me at the trial... I don't think I've ever been more devastated. I just thank you for not testifying against me.

PIPPY

Yeah, but I should've been up there fighting for you.

WILSON

I wondered about that.

PIPPY

I could've been there for you, and I... I totally failed you, Wilson.

WILSON

But you're here now.

PIPPY

I am. And I have to thank you, Wilson. You believed in me when nobody else ever did.

WILSON

Oh, Pippi.

PIPPY

Now that I'm pulling it together here I feel like I'm ready for an actual relationship. And that's why Tucker and I are moving to Australia.

WILSON

What did... I just... could you...? Did you...? Did you...? Tucker?

PIPPY

Yeah, my sponsor. Or he was my sponsor. I know that sounds really bad, right? But we went through a lot, so... I think you'd like him, Wilson.

WILSON

Yeah, I'm sure I... I'm sure I would.

[long pause]

PIPPY

Hey. Maybe we don't have to be miserable forever. Maybe we could find our way to being happy.

[they both start crying as she kisses his hands and gets up to leave]

WILSON

Pippi?

[she turns and looks one more time before leaving]
