

The Wolf of Wall Street

Open on Jordan and Donnie in a bar, having beers together.

Jordan: Look I heard some stupid shit, and I don't even want to bring it up, it's stupid. People say shit, I don't know, I don't even listen to it half the time.

Donnie: What do they say?

Jordan: Shit about you and your cousin, I don't even listen to it.

Donnie: It's not like that. Its not like that.

Jordan: No like you married your cousin or some stupid shit, ya know?

Donnie: Yeah my wife is my cousin, whatever, but its not what you think.

Jordan: Are you like. "first cousins," or..?

Donnie: Her father is the brother of my Mom. Look, we grew up together, and she grew up hot. And all my friends were trying to fuck her and I wasn't about to let these assholes fuck my cousin. So I used the cousin thing as an in, I wasn't gonna let just anyone fuck my cousin. if anyone is going to fuck my cousin, its going to be me, out of respect.

Jordan: No I get it, yeah. But you're not afraid of the whole kid thing?

Donnie: Having kids with her?

Jordan: Yeah

Donnie: Oh no, we have two kids.

Jordan: I don't want to get personal or anything, but they're okay?

Donnie: No they' re not retarded or anything.

Jordan: But there's a big chance, right?

Donnie: Oh yeah, there is a sixty to sixty-five percent chance that kids going to be fucking retarded or whatever.

Jordan: That would scare the shit out of me buddy.

Donnie: Hey look man, having a kid takes risks, whether you're cousins or not.

Jordan: What if something like that happened?

Donnie: Basically if the kid was retarded I would drive it up to the country, open up the door and say "you're free now," run free.

Jordan: Ahh..

Donnie: (laughs) I'm completely fucking with you.

Jordan: That's horrible.

Donnie: No we would take it to an institution that handles that and could raise the kid.

Jordan: You know what, if you are happy, God Bless you buddy.

Donnie: No I'm not fucking happy, no one who is married is fucking happy.

Jordan: I'm sorry to hear that buddy.

Donnie: You know I'm really appreciative of this fucking job, I'm really enjoying it.

Jordan: I'm really happy with what you're doing.

Donnie: Actually I got you a little present.

Donnie: It's in back though..

Jordan: What do you mean its out back?

Donnie: We gotta go out back.

Jordan: I don't get it.

Donnie: Neither do I lets fucking go!
