

*This scene contains cross-talking.*

JACK

This place is incredible. I know you said at some point it was renovated, but it's —

IRIS

It was beautiful.

HANNAH

You don't understand how beautiful this place was. It was so pure and gorgeous, and then Marilyn came in and just eradicated any memory of us, and so the house, yes, is very beautiful —

IRIS

— without the stink of us.

HANNAH

Yes.

IRIS

But Marilyn's only got a couple more years left, actually.

HANNAH

Two and a half, three.

IRIS

Two and a half, three more years.

JACK

What are you — wait, I'm sorry, what? Three to go?

IRIS

The ten-year itch. Okay, he was with her mom for ten years; had an affair with my mom. She was the secretary.

HANNAH

Got your mom, Lenora, pregnant.

IRIS

Yes.

HANNAH

Married her.

IRIS

Moved to London.

HANNAH

Moved to London.

IRIS

Got bored of Lenora, and then he moved on, and then he kinda philandered around for like 7 years.

HANNAH

He went through his crazy Warren Beatty phase. The funny thing about those years...when he was so bad with the ladies, he was so good with us, because that was —

IRIS

He wasn't.

HANNAH

No, but that was like six summers that it was just the three of us here.

IRIS

I know, but you were okay with that. I had no respect for that. He just went...he dodged from one to the other and it was gross.

JACK

That's so crazy. So he would just, like, date all these women, like, for short periods of time with not a lot of emotional investment and they were very similar and he would just move on?

IRIS

Yeah, it was horrible.

JACK

Gosh, that's just, like, weird. Who does that? Oh! And the patterns emerge!

IRIS

Don't. What are you doing?

JACK

I'm sorry. Skinny jeans George, skinny jeans Harry, skinny jeans Vinnie. Vinnie lasted for at least two weeks. He was one of the longer ones.

IRIS

I don't like dating. You know that. I don't like dating. I don't like the romance and the —

JACK

No, tech — I think technically —

IRIS

I don't like it.

JACK

This is —

IRIS

I get bored. I don't like it.

JACK

Do you know how the Iris dating scheme works these days?

IRIS

No you don't.

JACK

Okay, this is...this is basically how it works. I mean, in a nutshell. So they come in with the skinny jeans. They...yes. Skinnier than these, by the way.

HANNAH

Ugh! Please.

JACK

Then we've got the rocker stud belt. The Converse...no socks, tongue open, no shoelaces. The swoopy haircut.

IRIS

Which you have right now, by the way.

JACK

Well, I have it because I have hair problems. These guys are young enough. They should not be swooping. It starts out usually on a Friday 'cause she met him in a coffee shop. Saturday night we go to either Fleet Foxes or Band of Horses —

IRIS

I like Fleet Foxes.

JACK

— or some other “light in the attic” show. And then she takes them to a ‘greasy spoon’ and breakfasts the next morning ‘cause, like, “I’m such the ‘greasy spoon’ girl,” and then they get very, very excited about her, and then the next weekend they call and she does coffee and then it’s done.

IRIS

And why are you almost defending them? You hate all of the guys that I’ve been out with.

JACK

No! Because —

IRIS

You’ve hated all of them.

JACK

No! Because —

IRIS

I just don’t like it. I get very bored, you know that.

JACK

Well, the problem is you have great taste in life, and you have terrible taste in men.

IRIS

You have terrible taste in clothes.

JACK

Of course I do. I never said —

IRIS

Those denim shorts are a horror show. Let me just tell you.

JACK

Don’t...don’t talk about the jeans shorts. Don’t. Don’t. No, no, no, no, no.

IRIS

Sit down. Sit down. Sit down. The fact that you’ve somehow managed to get the inner seam higher than the other seam is so creepy. I don’t know what’s going on with those.

JACK

God...God is in the details. I’m sorry.

IRIS

I never want to see those things again.

HANNAH

Remember the guy who asked you to cut your bush? Remember? The guy that you were hooking up with that told you to trim your bush? And you came home —

IRIS

Okay, we're good! We don't need to —

HANNAH

No, no, no. She came home in tears because she was hooking up with this guy...remember that guy? And she had a little poof in her underwear.

IRIS

Okay, you know —

HANNAH

And she's like, you know, "How am I supposed to trim my bush?"

IRIS

I'm so embarrassed right now. What the fuck?

HANNAH

And I was, like, the bad older sister because I didn't tell her.

IRIS

What the fuck are you doing? I didn't. It was a —

HANNAH

Anyway, that's the only boyfriend story I remember. Yeah.

IRIS

You suck. That is so wrong, by the way.

HANNAH

What?

IRIS

That's very wrong.

HANNAH

These are the guys that Iris dates.

IRIS

Okay, we're good. We're good, we're good, we're good. We're done. We're done. Okay?

HANNAH

Okay, we're done. I'm just going to eat another vat of mashed potatoes.

IRIS

How you liking those mashed potatoes?

HANNAH

They're outrageous.

IRIS

Yeah? They taste good? How vegan do they taste to you? Come on. I put a dollop of butter in. That was it. Don't rinse out. Come on. You've been plowing through those things. Do you know why they tasted good? Because they have dairy in them, that's why.

HANNAH

Why would you do that?

IRIS

Because I felt like it.

HANNAH

That's five pounds of fear right there, that I just ate.

JACK

It was meant to be a joke, just 'cause...to see if you liked it.

IRIS

It was meant to be a joke.

HANNAH

I mean...it's just so not cool.

IRIS

Okay. Okay. You're right. It's not cool. Are you allergic to butter, though?

HANNAH

No. I'm emotionally allergic to butter.

IRIS

I'm sorry. It was just a little bit. It was just a tablespoon. I like butter in my mashed potato and that was all it was.

HANNAH

All right.

IRIS

Don't...c'mon. Okay.

HANNAH

That was delicious and inhumane and...I'll see you guys in the morning.

IRIS

I'm sorry. I'm sorry.

HANNAH

I love you, but I don't like you.

IRIS

All right.

HANNAH

Thank you, Jack.

JACK

Good night, Hannah.
